# STUDY
# Math
# ABROAD!

**LJUBLJANASUMMERSCHOOL**

## 1 Come to Ljubljana

- *June 30 to July 4 2025*
- *apply by* **April 13**
- **NO** *registration fee*
- **FREE** *accommodation*
- **FREE** *breakfast and lunch*
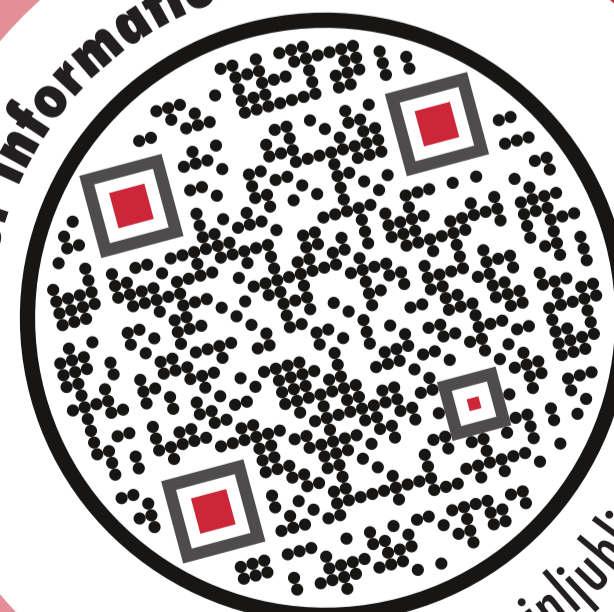

## 2 Learn some math

- *Marjeta Kramar Fijavž:*
  Think positive: On positive matrices, operators, and semigroups
- *Daniel Smertnig:*
  Linear recurrences: A short journey across number theory, dynamics, and decidability
- *Ada Šadl Praprotnik:*
  From polynomial to rational: An introduction to Bézier curves, surfaces, and splines

## 3 Get to know our department

- *Meet the research groups*
- *Get information about the study programmes*
- *Learn about Erasmus exchange opportunities*
